Season 2011—Wrap Up

Thanks you to everyone involved at Greythorn Footy Club, in what has turned out to be a challenging but also successful 2011.

With our Presentation night now complete and the issue of the 2011 Club Yearbook, the only major item remaining is the AGM on Wednesday 12th October 2011.

At this point, the 2011 Committee will hand over the management of the Club to the 2012 Committee and planning for Season

2012 gets under way.

My "take" or Report on Season 2011 is in the Year Book which everyone should now have.

If you did not pick one up at Presentation Night, your Team manager will have one for you. Thanks again to Richard Martin for putting the Year Book together. It is the definitive record of the Club's many achievements during 2011.

Please take the time to review the various sections in addition to your own Team Report.

Getting Involved in 2012

The Club relies on kids wanting to play footy (that's the easy part) and their parents willing to get involved (that's a bit harder). We will need some of you to get involved in 2012. So if you have been around the Club for a year or two and haven't taken the plunge, now is a great time. Here's how you can help:

Coaching Some Teams will need a new Coach next year, so if you're interested, let us know.

Team Managers Every Team needs a Manager. Some vacancies will need filling in 2012

Committee New Committee members will be required in 2012. Have a look at Page 4 of the Yearbook. There's a myriad of tasks that are required to keep the Club going. You don't need expertise in any particular area and if you are willing and able to get involved, you'll be welcome. You don't need to be nominated to join the Committee. Just come along to the AGM on Wednesday 12th October 2011 at the Gordon Barnard Reserve Pavilion and put your hand up.

Specialists Anne Thiel (Banners) and Sue Cutler (Canteen) have indicated they will not be continuing in these roles next year. We thank them for their significant contributions over a number of years and we are seeking to fill these roles in 2012

2012 Player Registrations - Early Bird Discounts

Membership Fees will increase slightly in 2012. But, you don't have to pay - If you register early. Keep a look out for the 2012 Registration Email. Players who register early pay the 2011 fee. Also, for next year's Under 10s, you'll be given preference regarding which of the two Teams you join.

World Vision - Gold Coin Day

Thanks to everyone who chipped in with a gold coin. The Club raised \$298.00 for World Vision and the Committee has voted to match the amount and rounded up to \$600.00 to be passed onto a very worthy cause.

Sponsors—This Year and Next

Thanks to our sponsors again this year, especially Fletchers Real Estate - our major partner. With the assistance of the sponsorship contributions we have been able to run the Club and keep membership fees at a reasonable level.

To our existing sponsors, we look forward to your continued support in 2012.

New Sponsors

If you run your own business, consider that Greythorn Footy Club is made up of 250 families in the local area who eat, drink and spend money in a variety of ways. The word is that our Members show their financial support of Club sponsors each Year. If you are thinking of a modest marketing investment, we'd love to hear from you.

Thanks again to Everybody involved this year. We look forward to seeing you at the AGM and in the lead up to Season 2012. Go Falcons!
